**PowerShopper**

**Dealer Holdback:** 3% of the Total MSRP [What is Dealer Holdback?](#)

**Gas Guzzler Tax:** N/A

**Advertising Charges:**

Most vehicle invoices include a legitimate advertising fee levied by either the manufacturer or regional dealer groups. Ad fees can range from less than 1 percent of the vehicle's MSRP to more than 3 percent, depending on region. Metropolitan-area dealers are more likely to charge higher advertising fees than rural dealers. When you comparison shop for a car, be sure to ask the dealers how much the advertising charge is on the vehicle.

## INSURANCE

Insurance costs can vary greatly for this vehicle, depending on such factors as driver age, driver gender,

teenage drivers in the household, driving records, theft loss data for your particular geographic region, miles driven per year, and other widely variable factors. Additionally, some companies charge a premium for certain makes and models, while others do not. [Check Multiple Insurance Rates](#)
